and Heartbeat Team,

I hope this letter finds you well. I am writing this to provide you an update of our mission work and to express our heartfelt gratitude for your continuous support. Your partnership is invaluable in advancing the cause we are passionate about.

This last quarter of 2023, our goal is to win souls. During our anniversary, there were 15 adults and 8 young people who accepted Jesus Christ as their Lord and Saviour.

As of now we are doing our follow-ups (Bible study). This coming 2024, our goal is to equip every members of Community Faith Bible Baptist Church for the work of the ministry and we will undergo in a year of equipping.

Please pray for our needs:

1. **Printer** – A printer machine will be useful for the continuous printing and distribution of our materials. Not only for members but also for the new convert and for the new believer of Christ. This printer machine will serve for a lifetime success of the future distribution of materials such as Gospel tracts and lessons.
2. **Materials Translation** - to be translated in Tagalog for them to understand well the message.
3. **CFBBC members** – willingness and commitment for the year of equipping.

Here in Naguillian, it is easier to share the gospel through relational approach than the traditional way (though it still works) that is why we need to prepare each members of CFBBC so that we can maximize our potential in an easier way.

And based on my own experience, one of our church member that I disciplined has been actively bringing visitors to the church. I encouraged you also brethren to engage in the ministry of your church and be useful in the ministry and maximize your potential in serving our Lord.

Once again, thank you for your unwavering support. We are truly grateful for your partnership in the ministry.

Blessing,

Ptr. Bliss Marben T. Veloria
