DEAR PASTOR AND PRAYING FRIENDS,

Greetings in the name of our Lord Jesus Christ!!!! Writing this letter is one week after I arrived here in the Mission field (Thailand). It's a great blessing to be reunited with my family and Ministry. I got sick for a couple of days but I thank the Lord for the healing. I want to reach out to you to thank you for being a great part of my first trip and first deputation in the United States. My 2 months of Deputation were very productive and God is in it.

Thank you for the accommodation, acts of kindness, generous love gifts, and most of all allowing me to share my burden about my mission field in Thailand. As a first-timer in the United States, this is a great blessing and encouragement.

Thank you, Pastor and church for taking me on support and trusting my burden and my calling. By the grace of God, I will do my best to invest your support in reaching more Thai souls for Christ that will bring forth fruit in eternity.

Please help me pray for the churches that are still in the process of seeking direction from God to partner with us in Thailand Missions. But I'm very blessed to meet churches, individuals that still love missions and missionaries and you are one of them. We will keep you in our prayers and keep you posted on our Mission Letter every quarter. The next Prayer letter that I will send for the update will be in the last week of September 2024.

I am very encouraged and on fire to do the ministry right now because I saw all your sacrifices for the sake of missions. By the grace of God, I will try my best to use the resources you have invested to bring more eternal fruit to your account in heaven.

On behalf of my family from the bottom of my heart, Thank you so much!
