## Dear Brothers and Sisters in Christ,

Greetings in Jesus' name. We are thrilled to share the latest updates with you. We are grateful for your unwavering commitment to our mission. Thank you for being a vital part of our journey.

On July 13, we had the joy of visiting our students' family and sharing the gospel with their parents. We are thrilled to share that they accepted Jesus Christ as their Savior and welcomed us for regular Bible study every Saturday. Although the husband is often away for work in the capital and can only return during holidays, we have been blessed to build a meaningful connection with the family. After a few weeks of Bible study with her, we continued to invite her to church, and on August 25, she attended for the first time—and she has been a regular attendee ever since! Praise the Lord for this incredible transformation! She is now eager to be baptized. Please join us in praying for her and her family, which includes four children. She works at a garment factory, with Sunday being her only day off. We ask for your prayers for more opportunities for Bible studies and for positive outcomes as we seek to share the gospel effectively. In this picture, Maly stands next to our daughter, Norein Grace, along with her four children—two of whom are our students.

On August 9, my wife Annie, Brother Danny, his wife Srey Pin, and I had the privilege of attending the ministry leaders' conference hosted by Ministry Asia. It was a true blessing to hear the inspiring and challenging messages from the Word of God. We also had the opportunity to connect with fellow missionaries serving in Cambodia, fostering great fellowship as we encouraged one another in our shared mission to expand the Kingdom of our Lord, both here in Cambodia and across Southeast Asia.

As I mentioned in our previous update, the rainy season has begun earlier than usual this year. We have been experiencing heavy rainfall, resulting in significant flooding in several provinces. Unfortunately, we are unable to reach our outreach in Kampong Ous, as the entire village is submerged, and all access roads are impassable. Please join us in praying for the residents during this challenging time. We are also keeping in our prayers all those affected by the hurricane during this difficult time. Additionally, we are praying for a clean and fair election. May those who are elected be God-fearing individuals with pure hearts and good intentions, dedicated to serving your country and its people with integrity and compassion. God bless all the works of your hands and God bless America!

We are thrilled to share some wonderful answers to our prayers! Our children's Cambodian visas have been renewed, and after years of seeking a larger space, God blessed us with a big English classroom. One day, I received a call from a friend and connected us with a woman I barely knew—she owns an International School in Cambodia—asking if we needed anything educational. When I mentioned our prayer request, she generously offered to finance the building construction. Now we have our English classroom! The size is 16.5 x 33 ft. Praise the Lord for His amazing ways of answering prayer.

Another prayer has been graciously answered with the completion of our small guest room. A wonderful lady, dear to our hearts, generously provided the funds to make this possible. She has helped us in so many ways, personally and in the ministry. We are deeply grateful to God for people like her, who allow themselves to be vessels for His glory. Praise the Lord for such kindness and faithfulness!

Please join us in praying for God's provision for our plane tickets. We are praying and planning to travel to the Philippines this December, as my elder brother, Pastor Isagani Jr., is getting married and has asked me to officiate the wedding. We would also love for Faith and Job to experience Christmas in the Philippines for the first time, Norein Grace has experienced once. If our budget falls short, I will make the trip alone. The wedding is set for December 14th, and we trust that God's will and provision will guide us in this.

I wanted to inform everyone that we no longer have a PO Box in our area. We've been advised to ask those who wish to send us letters or cards to use our home address instead. Please also include our contact number so that we can be notified directly if anything arrives for us.

Thank you so much for your continued support, prayers, and encouragement. We are truly blessed to have you walking alongside us in this journey. We love you and praying for you all. May God bless you abundantly.

**In Christ Jesus,**
