We are in constant prayer for you, your family and Ministry. Praying that God would always bless and keep all of you. I would like to greet you a belated Merry Christmas and Happy New Year.

Although we still had rains in the Month of November, yet our Daily ministries continue to thrive. Hundred of tracts has been distributed and many souls has been reached for Christ, resulting to a good attendance in our Worship Services.

But as for me and my house.. we will serve the Lord.

NOVEMBER HIGHLIGHTS

The highlight of the month of November was the visit of Bro. Clay Warren, he is from Missouri, he is here for Missions trip and will be coming back in the States to do deputation and then he will come back here in the Philippines as Missionary. It is always a blessing to know that there are still American Missionary who has a burdened in their heart for Filipinos. As you know my parents got saved under the ministry of an American Baptist Missionary.

DECEMBER HIGHLIGHTS

December was very busy, we conducted many activities such as, Gift Giving to Children you know we have a very vibrant children's ministry in our Church. Aside from our regular Children's Church every Sunday Morning, we also have Camp Joy Ministry. December is a perfect time to make these children a little happier by presenting them all as a simple gift from our church.

The church also did caroling and gift giving for some of our struggling church members who can't afford to buy a special meal for Christmas. We gave them grocery packs so that they can have spaghetti for their "Noche Buena" a meal shared by the whole family on Christmas eve.

Special Christmas Service & Mini Cantata:

Yes we Celebrate Christmas! We celebrate the Birth of our Savior by worshipping Him. We held a Special service in the Morning of Christmas. Our Young People prepared several special song and I preached about the greatest gift. This service was really moving, Our Choir sang the songs Down from His glory, We are the Reason and It's about the Cross, I had goosebumps as a listen to this songs. The service was well attended and brought a great blessing on all of us.

Before the year end I also had an opportunity to meet and befriend the Chieftain of "Bayanbayanan". They are Indigenous people who live on the mountain. We conducted a feeding ministry there, feed the children with a sumptuous breakfast and of course teach them about the love Christ.

Pastor I would like to ask your prayer, because as I talk to the chieftain I felt the need to start a Mission Church in their place. The chieftain told me that they already have SDA and Charismatic in the area. I am really burdened to start a Mission Church there. The chieftain is offering us a land where we can erect our worship hall. He is selling us 500 sqmeter lot that cost \$5000. PASTOR COULD YOU CONSIDER HELPING US WITH THIS AMOUNT SO THAT WE COULD BRING LIGHT TO THESE PEOPLE.

Pastor, again I would like to thank you for all the help that you are extending to us. Your partnership with us is very vital in our ministry. We will not get tired of thanking you always. We love you and we will always be in prayer for you. God bless you sir.
