Dear Pastor, Church & Friends,

Happy New Year and Greetings in the Most Precious Name of our Lord and Savior Jesus Christ, To Him be all the Glory.

In behalf of Bethel Independent Baptist Church, my deepest thanks and appreciation for you all before our God whom we serve, as being our comrades and partners in the ministry in reaching the lost thru the gospel of Jesus Christ and training the nationals to exalt the Savior, edify the church and to evangelize the world. Thank you very much for your love and unceasing support for me and to my family in the missions field.

In these past few months of 2024, God has been faithful that he enabled us to serve him continually and witnessed the grace of God, his answers to our desire and prayers for his ministries, we were able to host our first youth rally were more than 150 young people together with some fellow churches participated in this event, challenged by the word of God and to keep their purity in the Faith for Christ. Amid of the many hardships and trials in our faith along the way in the ministry, Last month we celebrated his Faithfulness in our 12th year church anniversary, the theme "staying our focus on Jesus", and seeing many visitors responded and accepted the Lord as their personal Savior, to him only the glory, and youth camp meeting was held before the year ends, We praise the Lord for the souls got saved added to the church and Christians who re-dedicate their lives to keep their service of Him. We are blessed by the Lord to see eight precious soul who trusted and decided to follow Him in water baptism this year, some of these are the fruits from our new mission work in Pampanga,

As this year forward, we covet your prayers to restore our campus ministry this year, we are on the way waiting for the schools response for our request to teach again in their campuses, our Evangelistic Meeting on March, our Vacation Bible school on April, we are praying for four hundred children to be reach out and minister the love of God with these children, And for our special needs, his provision in our need of transportation vehicle for the church, we are praying for \$8000 this is price the of the Van we look for, an eighteen seaters capacity, we trust the Lord by this year he will provide the funds needed. If God bless and has given us opportunity I'm praying for you to be a part in some way for this ministry project.

Thank you once again and May the grace of our Lord God be with us all.
