CFBC - Dinalupihan
Pastor

Dear Pastor/Friends,

Greetings to the most precious name our Lord and Savior, Jesus Christ, for His unending mercy, grace, and love towards us all. To my fellow pastors, brothers, and sisters in Christ, supporters and partners in the ministry, I am thankful for your continuous support, love, and prayers for our ministry in Dinalupihan, Bataan, Philippines, and it means so much to me. We are dedicated to guide, lead and teach our fellow believers towards the Lord to strengthening and build their faith in the ministry of the Lord.

I am grateful and thankful for all of your prayers through the last and this current year, though we have a lot of challenges and trials that we've faced until now but still God is always good and merciful to us as the enemy never succeed in any of his evil works towards the ministry. I would like to report to you his never ending goodness in us and in our ministry here in the Philippines. Last year, we had an accident October 6, 2024, that sunday morning we have a 13 visitors resulting from our soulwinning every after service, but that day after our morning service and we're about to send them to their homes and as we're preparing for our afternoon soulwinning but then suddenly the tragic happened. The engine suddenly shuts down in the middle of steep road and the vehicle go down then flipped upside down, and in that 13 visitors, 7 of them was injured and we take them all in the hospital. Some of them had a stitches and undergo in CT scan and x-ray.

However, the accident didn't stop there, after a week one of our visitor that wasn't part of the last accident after our service and he's about to go home his motor suddenly slide down and at that moment he go back at the church with wounds on his face and body and took him in the hospital. But praise the Lord we didn't stop, because we believe that the devil is not happy of what we are doing but God has a good purpose and plan in what we do for his ministry. After a month of those accidents, within our 13 visitors 6 of them decided to follow our water baptism. And praise God until now, they're continuing serving our Lord, Jesus Christ. Furthermore, this year 2025 we're continuing on getting strong and not stopping on sharing and preaching the word of God and training our young people to be a part and used in God's ministry.

And up until now, we are continuously asking for your prayers and supports this coming April and May since we have upcoming events. First, our youth camp, April 21-24, 2025, we are praying that we can fund them a hundred percent, since most of them are in low poverty level. And because I believe that in this camp, this event will used by the Lord that this young people will surrender their life and call them in the full-time ministry and renew their relationship with God and know more about their responsibilities in the service of God.

Since, you already know about my situation that I am banned on flying abroad for 5 years and I cannot guarantee you that I still have a chance to go back there in the U.S. That's why, I am continuously asking for your prayers and support to our ministry, that if there's anyone of you who has a friend that is willing to help in the ministry, I am hoping that you introduce and bring me closer to them to support our ministry for at least 20 to 25 dollars a month. And I believe that little is much when God is in it. I hope and pray that you won't get tired on helping and supporting my family and our ministry here in the Philippines. And in the help and grace of the Lord I will gladly fulfill my duty as a servant of our Lord, God and Savior.

We promise to keep you informed about our future victories in the Lord's ministry so that your worship of God remains significant and overflowing. We will always be willing be there for you to share, preach, and spread the gospel of our Lord and Savior, Jesus Christ. Please know that you are in our thoughts and prayers, and we wish everyone blessings. ... God bless everyone.
