Dear Pastor & Church,

Greetings in the Name of our Lord Jesus Christ! We always praise and thank the Lord for all your generosity and kindness and for your partnership in our ministry here in the Philippines!

By the Lord's grace, the ministry in reaching more people to Christ continues. There are times that we have a great attendance in our outreach works, and there are also times that we have only few children to reach and teach. But regardless of the situation, the Lord enables us to keep on keeping on in season and out of season for His glory.

We praise the Lord for His goodness as He blesses our outreach ministry. We distribute an average of 500 gospel tracts per week and 18-22 children's outreach areas per week. Praying that the Lord will give us His mercies to reach more people for the Lord.

The Lord has given me the privilege to minister in music and voice classes to more or less 400 choir members from different churches in preparation for our Heartbeat Missions (our missions group) Conference in the Philippines. I praise the Lord for using me to encourage them to continue to sing for the Lord for His glory with joy and passion

After the Joint Choir sang during the Heartbeat Missions Conference, I was catching my breath and having chest pains. I was rushed to the hospital and was confined for 4 days due to my heart and kidney problem. By the Lord's grace, I am now doing fine and ready to serve the Lord

We are so grateful for your faithful prayers and help to us. It is our humble prayer that the Lord will continue to bless you all always and beyond measure! Thank you for giving to the Lord!

With our love and prayers,

Brother Rodel Domingo
